Dual-office supply chain control

#1 KR

KOREA'S LARGEST TOOL DISTRIBUTOR
Direct partnership — zero intermediaries

DIRECT SUPPLY CHAIN

Two-office structure eliminates middlemen & compresses lead time.

01

Korea's #1 Distributor — Direct

No re-exporters, no agents. Shortest chain from manufacturer to your facility.

EXCLUSIVE ACCESS

02

DAP — One All-In Price

Export + freight + EU customs + last-mile. One quote. Zero hidden costs.

NO HIDDEN COSTS

03

Multi-Origin Asian Tools

Korean tools are our core. We also source Japanese, Taiwanese & Chinese brands through the same pipeline.

MULTI-ORIGIN

04

Seoul QC Office — Spec Accuracy

Part numbers verified. Specs confirmed. Quality checked before shipment.

ON-GROUND QC

05

Lower Cost vs. Local Resellers

Eliminating 2–3 intermediary layers delivers structurally better pricing.

COST ADVANTAGE

06

Custom Sourcing Available

Tools, parts & accessories beyond the catalog. If it exists in Asia — we can procure it.

BEYOND CATALOG

ORDER PROCESS

STEP 01

Identify SKUs

Use 한국산업공구보감 catalog or Danawa to confirm part numbers & specs.

STEP 02

Request Quote

Email part numbers + qty to trade@factoryuse.com. Specify → Air or 🚢 Sea.

STEP 03

Confirm & Receive

Approve DAP quote → **Prepayment** → Delivery date confirmed → DAP Delivered.

→ AIR FREIGHT · MIN. ORDER

€ 2,000

All import costs included

🚢 SEA FREIGHT · MIN. ORDER

€ 3,000

All import costs included
